CREDIT RECOVERY PROGRAM

Dear Parents and Students,

Conner High School offers a Credit Recovery Program. The program is designed to assist students who did not receive a credit in a required or elective course*. In order for the student to be eligible for the CRP the student's final grade MUST range between a 60 to a 69.

Students will successfully complete the program once ALL of the assignments attempted, as well as the Final Exam are completed with a minimum score of a 70% on each assignment.

Credit Recovery Program sessions will be offered at the conclusion of each quarter, dates and times are listed below.

It may be possible for a student to complete more than one class in a four-day session. [Noting eligibility]

If you have questions about the program please feel free to call,
