## INTEGRITY

The base color of our school coat of arms represents our fundamental essence. As our base color is blue, our essence is defined by integrity and the elements of truth, loyalty, strength and faith.

***We work best as one!***

## PRIDE

The color of the ribbons represent our ideals, which target growing, fostering and developing wisdom, fortitude, and victory. Nurturing and promoting these qualities instills within us a sense of pride for our accomplishments and for our victories.

***We develop wisdom!***

## HONOR

The crowned lion signifies courage, ferocity, and valor, encouraging us to live a life of honor, while the drawn sword signifies our leadership skills. Wielding the two edges of the same sword, we press forward confidently on our journey towards our enemy that is ignorance.

***We are not afraid, and we do not give up!***
